

## SHARE OUR BLESSINGS WITH THE WORLD

Thanksgiving is a time to be thankful for our blessings—like family, friends, and food. It's also a chance to share God's love with children around the world. Through prayer, giving, and small sacrifices, we can help others and live the true spirit of Thanksgiving.

In your classroom, create a gratitude wall or tree. Have students write down things they are thankful for on paper leaves or notes. Include blessings from their families, school, and community. Connect to it to missionary life, talk about how children in other countries, especially in mission communities, may have fewer resources but still share joy and hope.
